WirelessKable - Business IFE Equipment

Business IFE
Business Inflight Entertainment System
551-7007-001

- 5G Worldwide GSM Connectivity (LTE where 5G unavailable).
- WiFi content distribution.
- HDMI output for Bulkhead monitor.
- Cabin monitor and speaker content distribution from Netflix, Amazon Video, Disney+ and Spotify.

WirelessKable - Business IFE Solution

- Prepare your content from the comfort of your home with the aircraft powered off.
- Select on your personal Netflix, Amazon, Disney+ or Spotify, the content you want to download to the aircraft.
- While preparing for flight, the pre-selected content will synchronize with the IFE via the 5G connection.
- In flight, watch the local content on multiple personal devices, no specific application is necessary.
- Play the latest downloaded Netflix, Amazon, Disney+ or Spotify content on the cabin monitor and speakers.
- The media will pause during the PA Announcements.
- 5G Radio OFF on Flight and TOLD.
